DEFINITIONS

"Unit members or employees" as used in this agreement shall mean any employee included in the bargaining unit as described by the Iowa Public Employment Relations Board.

"Regular part-time employee" as used in this agreement shall mean an employee working a routine schedule of at least twenty (20) hours per week on an annual basis. Regular part-time employees SHALL NOT include temporary, seasonal, or summer employees or any employee working less than twenty (20) hours in any work week.

A regular part-time employee shall be eligible for benefits under this agreement only if he/she works twenty (20) hours a week year-round. Said regular part-time employee shall receive full medical and life insurance benefits. All other benefits shall be prorated based on the number of hours worked per week in comparison to a forty (40) hour work week.

PROBATIONARY PERIODS

SECTION 1

1.1 The probationary period for all new unit employees hired with City Council approval shall be for a duration of twelve (12) months. The purpose of this period is to determine the employee's fitness for the position and the employee's ability to do the work that is required of that position. During the probationary period if the new employee's working performance does not meet the required standards the employee may be dismissed by the Chief of Police.

1.2 Sick leave and other leave shall be earned by the new employee during the probationary period. If the new employee does not complete this probationary period, no sick or other leave for the period shall be paid or credited to them. Probationary employees shall receive holiday pay (including personal holiday) and insurance coverage during their probationary period.

1.3 At the end of the twelve (12) months, the new employee shall automatically receive status as a permanent employee unless they are notified in writing by the Chief of Police that their services are terminated or unless they have been hired on a temporary basis. Probationary employees may be discharged by the Chief of Police during the probationary period and such terminations shall not be subject to the grievance procedure within this agreement nor subject to appeal under Civil Service procedures (Chapter 400 of the Code of Iowa).

1.4 All employees shall be required to pass a physical examination as prescribed by the city prior to appointment as a probationary employee. The selection of the examining physician shall be at the option of the city and the city will bear the expense of the examination.

3. No employee shall accept employment that requires the use of city equipment, facilities, or materials.

OVERTIME AND CALL OUT PAY

SECTION 5

5.1 Forty (40) hours shall constitute a work week. Except as noted in Section 5.2, all work performed over a total of forty (40) hours per week shall be regarded as overtime. Except as noted in Section 5.2, unit members work in excess of forty (40) hours in a calendar week (including vacation and paid leave hours) shall be paid at one and one-half (1½) times the unit member's regular rate of pay.

5.2 Any unit member attending the Iowa Law Enforcement Academy will be compensated at his regularly scheduled hours and rate of pay for a forty (40) hour week. Any unit member required to attend schooling or meetings on their time off (excluding Law Enforcement Academy training) shall be paid at straight time for those actual hours of attendance at the meeting or schooling. No compensation shall be made for travel time to and from any meeting or schooling.

5.3 It is recognized in order to maintain as much security as possible in emergencies and during peak work loads, some unit members may be required to work overtime, and call-in time. Call-in time shall mean "to summon an off-duty unit member to perform work for the city, during his/her time off as directed by the Chief of Police or his designee." Standby time shall not be considered call-in time. All call-in time shall include a minimum of two (2) hours (except as noted below), and all call-in time shall be paid for at the rate of one and one-half (1½) times the unit member's hourly wage. Unit members required to report to work less than two (2) hours early or required to stay after the normal work day for less than two hours shall be paid overtime pay for the actual hours worked.

Unit members called in by the Chief of Police or his designee to testify in court shall receive the minimum call-out pay mentioned above. If the unit member is also

required to perform other duties, they shall be paid overtime for the actual hours worked performing the other duties in addition to the call-out pay for court duty.

5.4 Overtime pay and other fringe benefits of this contract shall apply only to full-time unit members working a regular shift of 40 hours per week and 2,080 hours per year.

Sick leave entitlement, sick leave incentive and anniversary date shall be retroactive upon appointment, to a full-time civil service position, of any individual who has worked on 40 hour continuous shifts prior to said appointment.

5.5 Standby time shall mean the notification of an off-duty unit member of a possible pending emergency and to require them to make themselves available on short notice in the event the Chief of Police or his designee needs to summon them to perform work (call-in) as described in Subsection 5.3 above. Each unit member so notified by the Chief or his designee and placed on standby but not summoned to work shall receive one call-in (two hours' pay at time-and-one half). The maximum length of any one standby period shall be 24 hours.

TIME SHEETS

SECTION 6

6.1 Time sheets will be furnished by the Finance Department to the Police Department. It is the responsibility of the Chief of Police to see that the time sheets are completed accurately. The Chief of Police shall approve and submit time sheets to the city's payroll clerk by 10:00 a.m. every other Monday.

6.2 Altering, manipulating, or attempting to alter or manipulate any time sheet for the purpose of gaining additional compensation shall be grounds for immediate dismissal.

UNION DUES DEDUCTION

SECTION 7

The City shall deduct union dues from the pay of unit members under the following terms and conditions:

1. Dues will be deducted only from the pay of those unit members who have requested such deduction in writing.
2. Dues deduction may be terminated by any unit member on thirty (30) days written notice to the City.
3. The amount of dues to be deducted shall be changed no more than once annually.
4. The dues deduction shall be made by the City from the employee's biweekly paycheck provided the employee has sufficient earnings to cover the dues deduction after deductions for federal taxes, state taxes, retirement, medical insurance, life insurance, and other authorized deductions.
5. The City will remit the dues to the union official designated, in writing, by the union, including a list of those employees paying dues.
6. The word "dues" as used in this Section does not involve initiation fees, special assessments, back dues, fines, or any type of assessment.
7. It is expressly understood that the City assumes no liability and shall not be liable for the collection or payment to the union of any dues during the time that an employee is not actually working for the City and actually on the payroll of the City.
8. The unit shall indemnify and save the City harmless against any and all claims, suits, or other forms of liability which may arise out of any action taken or not taken by the City for the purpose of complying with the provisions of this Section.
9. The City agrees to deduct from the wages of any employee who is a member of the Union, a PEOPLE deduction as provided for in a written authorization. Such authorization must be executed by the employee and may be revoked by the employee at any time by giving written notice to the City and the Union. The City agrees to remit any deduction made pursuant to this provision, within fifteen (15) days from the pay date of such payroll deductions to the Union. The City shall remit any deduction with a list that provides the following information:

 - d. The amount of the PEOPLE deduction
10. Upon enactment of Fair Share Legislation, the City agrees to comply with said Fair Share Legislation immediately.

HOLIDAYS & HOLIDAY PAY

SECTION 8

8.1 Unit members, except as stated below, whether working on a full-time, hourly or monthly basis, may observe the following holidays with pay unless such employee is required to be on regular duty shift. "Holiday" includes the following:

4. Fourth of July
5. Labor Day
6. Veterans Day (November 11)
7. Thanksgiving Day

8.2 Any unit member who completes a work week in which a holiday falls shall receive eight (8) hours compensatory time off, except those unit members who actually work on a holiday shall receive compensatory time off equal to the length of that day's shift.

8.3 Holiday Compensatory Time Payment: Unit members who are unable or choose not to take all of their holiday compensatory time-off by November 30 of each year shall be paid for said unused holiday compensatory hours at the rate of the unit member's hourly wage. This payment will be made, in a separate check along with the longevity bonus with the first payroll check in December of each year.

8.4 Unit members shall not be eligible for receiving Holiday Pay if they are on layoff, unpaid leave of absence, or on suspension. Unit members shall not be charged for sick leave on holidays.

SICK LEAVE AND OTHER LEAVE WITH PAY

SECTION 9

9.1 Occasions for Sick Leave: Sick leave may be taken because of sickness or injury of an employee.

9.2 Occasions for Other Leave: Other leave may be taken for other purposes as outlined in this section. Other leave for over four (4) hours shall be charged as vacation unless otherwise stated in this section.

9.3 Dental and Medical Care: Necessary dental and medical care shall be recognized as proper cause for granting up to four (4) hours leave when such dental or medical care is for the employee, but dental or medical care for a member of the family of the employee will **NOT** be recognized as cause for granting leave to such employee.

9.4 Eye Care: Eye conditions necessitating professional attention may be recognized as a proper cause for granting up to four (4) hours leave when such eye care is of the employee, but eye care of a member of the family of the employee will **NOT** be recognized as cause for granting leave to such employee, except for emergency care.

9.5 Serious Illness in Immediate Family: Leave of up to three (3) days with pay may be taken in the event of a serious illness in the immediate family of an employee or spouse (defined as wife, husband, son, daughter, father, mother, brother, or sister) provided that such illness is of such serious nature as to require the attendance of a physician, hospitalization, and is appearing to the satisfaction of the Chief of Police that the situation in the immediate family required the presence of the employee or reflected incapacity of the employee and, in addition, requires the presence of the employee at a location 100 miles or more from Estherville. If the above circumstances are met and the presence of the employee is required at a location within 99 miles of Estherville, then only one (1) day's leave with pay shall be granted. If additional leave with pay is required (other than outlined above), it must be approved by the Chief of Police and the Labor Relations Committee of the City Council.

9.6 Deaths: Leave of not more than three (3) days with pay may be taken in the event of a death of an employee's immediate family, consisting of wife, husband,

son, daughter, and the employee's or his/her spouse's father or mother. Leave of not more than two (2) days with pay may be taken in the event of the death of a brother or sister of a unit member or spouse. Leave of not more than one (1) day with pay may be taken in the event of the death of a grandparent or grandchild of a unit member or spouse. Up to two (2) additional days' leave may be granted to attend a funeral of a grandparent or grandchild and up to one (1) additional day's leave may be granted to attend a funeral of a brother or sister, providing, however, that the location of said funeral is more than 100 miles from Estherville. The granting of such additional leave without pay shall rest within the discretion of the Chief of Police. Leave may be taken for not more than one (1) day with pay to serve as a pallbearer, to attend funerals for past and present city employees, or to attend funerals for an employee's or spouse's niece, nephew, aunt or uncle.

9.7 Injuries During Work: Employees who are injured while working must make immediate report of such injury to the Chief of Police. All injuries, however slight they may seem to be, must be reported within eight (8) hours. If the employee is injured to such extent that he requires medical attention, he shall immediately go to a doctor for treatment. The Chief of Police shall be responsible for notifying the safety director of all injuries reported by the employees under his jurisdiction, or supervision.

9.8 DONATION OF ACCRUED PAID LEAVE: Employees may donate accrued vacation or holiday leave time to benefit another employee who has exhausted his/her accrued vacation or holiday leave, and is known to have a serious personal need for additional paid leave. Paid leave can be donated in no less than four (4) hour increments. The donating employee must identify the specific amount of Paid Leave donated and the name of the recipient of the donation on forms provided by the Employer for this purpose. Paid Leave donated to another employee pursuant to this provision shall be irrevocably credited to the recipient's vacation or holiday account.

9.9 Entitlement: Persons whose employment is entirely part-time or casual shall not be entitled to sick leave. Full-time and probationary employees (40 hours/week) will be entitled to earn sick leave to be taken in the event of absence due to sickness or injury of the employee according to the following entitlement schedule:

Sick Leave shall be earned at the rate of two (2) days/month
(24 days/year).

Sick leave shall be charged in one-half day increments. Sick leave entitlement shall accrue from the first day of employment.

9.10 Accumulation of Sick Leave: An employee may accumulate up to but not to exceed one hundred fifty (150) days of sick leave. As sick leave is used, additional sick leave will be accrued as established in Section 9.9. Upon the death of an active city employee or retirement from the city, one-half of the unused portion of the employee's accumulated sick leave (not to exceed 60 days) shall be granted as severance pay to the employee or beneficiary. The word "retirement" as used in this subsection, shall mean an employee leaving city employment to receive benefits from the Police Pension System and who is at least 55 years of age (for officers taking disability retirement, the age requirement does not apply).

9.11 Doctor's Certificate Required: In all provisions of Section 9 entitled "Sick Leave and Other Leave with Pay," all employees shall furnish a certificate from the attending physician or dentist prior to returning to duty. The said certificate shall state that in the opinion of the attending physician or dentist the employee is incapacitated from work by such illness. All employees must report to the Chief of Police immediately if they are unable to report for duty due to sickness or for other leave, and must furnish a certificate from the attending physician or dentist to report back to work when such illness is terminated. Any employee unable to furnish the above certificates in a timely manner will be considered absent from work without authority. This subsection shall not apply for sick leave of less than three (3) work days unless, in the opinion of the Chief of Police, sick leave is being abused by an employee.

9.12 No Termination Sick Leave: Except as provided in Section 9.10, no sick leave benefits of any kind shall be granted after termination of employment. Upon termination of service, no cash payment shall be made for sick leave unused.

9.13 Changing of Leave Status: Any employee on vacation who becomes ill or injured may, with accompanying doctor's certificate and upon proper notification, change his status of leave from vacation to sick leave.

9.14 Penalty: Claiming sick leave when physically fit, except as permitted in this section, may be cause for disciplinary action, including suspension or dismissal.

9.15 Intent: Sick leave is a type of insurance to the employee of earning power during his employment. Like an insurance, an employee is better off if he does not collect on it. It is the intent that sick leave not be taken except for real sickness.

9.16 Incentive Program: As an incentive to the employees of the city not to use the sick leave policy, any unit member who has NOT USED ANY of his/her sick leave during a six (6) month calendar year period (January-June and July-December), will be entitled to one (1) day's pay or one (1) day off, with approval of the Chief of Police for each six (6) month period for which he/she is eligible.

VACATION

SECTION 10

10.1 Persons whose employment is part-time or seasonal shall not be permitted vacation leave. Full-time employees shall be entitled to vacation as follows:

Year of Employment	Vacation Earned/Year	Year of Employment	Vacation Earned/Year
1	1 work week	11	3 work weeks
2	1 " "	12	3 " "
3	2 " "	13	3 " "
4	2 " "	14	3 " "
5	2 " "	15	4 " "
6	2 " "	16	4 " "
7	3 " "	17	4 " "
8	3 " "	18	4 " "
9	3 " "	19	4 " "
10	3 " "	20 & over	5 " "

For the purpose of determining "year of employment" with respect to the above vacation entitlement table for each calendar year, the year each employee is in on July 1 of that calendar year will be used.

No employee may take any vacation during his/her first year of employment. After his/her first anniversary date, the employee may take the one week earned during year one.

After January 1st of the employee's second year of employment, he/she may take the one week he/she will be earning during year two. Employees will be earning and taking vacation at the same time. This will apply from beginning of year two on.

However, if any employee uses his/her vacation pay and then terminates his/her employment with the city before his/her anniversary date, his/her final check will show a deduction to the city for vacation time taken and unearned. This paragraph does not apply to retirees.

In order for an employee to be entitled to the above vacation as indicated, the employee must work consecutively the years stated above. Vacation shall not be cumulative (carried over from year to year).

10.2 If a holiday falls during a vacation period, the employee shall be granted an extra day of vacation leave.

10.3 Vacation leave shall be requested sufficiently in advance to allow the Chief of Police to arrange work schedules. As a minimum it is expected that vacation leave will be requested in advance by the length of the vacation period.

10.4 Vacation leave scheduling is a responsibility of the Chief of Police for employees under his supervision.

10.5 Vacation leave may be denied temporarily to any employee in an emergency or when the granting of time off would result in insufficient manpower by reason of other employees in the department being on sick leave or vacation leave. The Chief of Police may in an emergency situation, grant pay for vacation time in lieu of vacation time off.

10.6 At termination of service the city will either grant vacation time or pay in lieu of time at the option of the employee. Except there will be no vacation pay for an employee arbitrarily leaving his job without notice of resignation of at least fourteen (14) days.

monthly financial contribution from the City towards the premium cost of Wellmark's "JNB/QPT" medical insurance policy (\$500 single deductible/\$1,000 family deductible).

11.7 Medical Insurance - Miscellaneous: The failure of any insurance carrier(s) to provide any benefit for which it has contracted shall result in no liability to the city or to the Union, nor shall such failure be considered a breach by the city or Union of any obligation undertaken under this or any other agreement. However, nothing in this agreement shall be construed to relieve any insurance carrier from any liability it may have to the city, Union, employee, or beneficiary of any employee.
